

**Amateur Report**

Our MQHA Clinic is finally coming together for 2011!

On the weekend of May 6th to 8th we will be hosting a Bruce Vickery Clinic at the Keystone Centre in Brandon.

The clinic will focus on trail for two days and one day on other events! The list is filling up quickly and every one seems excited to come out for a weekend of learning!

Respectfully submitted,

Shelly Minaudier

MQHA Amateur
