

Membership Report

The Manitoba Quarter Horse Membership is once again decreasing. This year we had a total of 15 Family memberships and 35 Single memberships, totaling 68 members.

The membership fees for 2011 will remain the same as in 2010, thus being \$35 for an individual and \$50 for a family.

It will be important for the MQHA board to seriously look at an aggressive membership drive in order to reach out to more Quarter Horse owners in Manitoba, surrounding provinces and states. In 2010 our membership dropped 20%, thus looking forward to some of the motions that are before you.

Congratulations to all the awards winners this evening and to all the members who had a successful show season near and far. Looking forward to start the 2011 show season, which is right around the corner.

Respectfully submitted,

Eryn Butterfield

Membership Chair
