

MHC Report/Bingo

The Manitoba Quarter Horse Association (MQHA) was once again involved in working with Manitoba Horse Council's (MHC) last year both in attendance at meetings as well as participating in the bingo ladder.

In 2010 MHC formed a new alliance for Equine Canada. A number of new initiatives are underway in this area and are outlined in the Equine Welfare report. Information on MHC, member benefits, athlete assistance through Sport Manitoba and other information available to members is posted on their website and MHA members are encouraged to review and pursue opportunities.

The MQHA was able to work on the bingo ladder at various times through out the year. This is an excellent fundraising opportunity for the club and we would like to express our thanks to those members and spouses who assisted in working the bingos. As a result of your efforts on behalf of the MQHA we were able to raise a total of \$487.50 for the association.

Respectfully submitted,
