

Public Relations Committee Report

The two main vehicles for the communication of MQHA news are:

- the MQHA website at: www.mqha.ca;
- the MQHA E-Newsletter distributed via email distribution list to past and present MQHA members;

MQHA members are encouraged to submit photos, show results, news or other items of interest to me for inclusion on the website and the E-Newsletter. Members are also entitled to free classified ads, and free reciprocal links to their ranch/training facility/business websites through the MQHA's website.

Respectfully submitted,

Marnie Somers
Public Relations Committee Chair
