

## **Show Report**

The 2010 Show year definitely held its own with the number of competitors. Last year showed a positive side to our show industry with the return of some that had been away from the show scene for a few years and an increase in new faces to our shows. The only area that we were down in numbers was the Versatility Ranch Horse Competition. Two reasons, one a wet summer and all the ranch horse shows were lumped together at the end of the year, the second we need more incentive for competitors to come to our show rather than the next one with money added.

Events for 2011 are on track with the first show (Summer Sizzler June 3, 4, 5) well on its way. There may be some changes in the Versatility Ranch Horse Competition, with the split combined show. This may leave more time for the Versatility Ranch Horse Competition to be on the weekend with an evening performance creating more opportunity for competitors more exposure and less cost with more return to the competitors.

Over all 2010 was a successful show year and we look forward to 2011.

Thank you to our sponsors, our show secretaries and above all thank-you to our many volunteers.

Looking forward to the 2011 show season.

Respectfully submitted,

Larry Clifford
