

Year End Awards

We hope that everyone here tonight enjoys another Manitoba Quarter Horse Association Annual General Meeting and Awards Banquet.

Congratulations to our winners--those who have received awards before and especially our new members receiving honors this evening.

We continued along our same pattern of using Glover Equine Products for the awards again this year. Thanks again to Barb for the help in organizing and choosing all of the products. Sadly this will be our last year working together as they are no longer continuing their business in 2011.

Thank you to Marnie and Shelley who are organizing and presenting the awards this evening on our behalf.

Have a great time everyone!

Respectfully submitted,

Christine Little & Marie Elliott
Points and Year End Awards
